Four additional families have applied; this will put the program up to 105 kids.

Update on approved capital plan for capacity study on existing large centers.

Update to provider agreements (see attached).

Town of Breckenridge has requested updated capital reserve plans from the large centers. TLC is complete. The Town will utilize child care funds to pay for the study at all three centers and will keep these on file with budgets from each center.

Breckenridge Town Council and Board of County Commissioners have a joint meeting on January 28th, 2020 and child care will be part of the discussion. Open discussion on topic suggestions for this meeting as we have been unable to coordinate a representative at our existing BCCAC meetings.
