## Permit Changes Submittal Requirements

- Two large format (24"X 36")copies of any affected pages/sheets with appropriately designated changes. One of these copies will be added to the field set and one of these copies will be added to the office copy.
- One 11"X17" hardcopy of any affected pages/sheets, with appropriately designated changes. This copy will be kept in the property file.
- Once the changes have been approved bring in approved field set plans. The Contractor/ Applicant will be required to re-configure field set once the effected pages/sheets have been approved. The new sheets will be stamped as "Revised" and the Superseded pages have been stamped as "Superseded."
