## Frequently Asked Questions

### What is the Winter Dayz Pass?

The pass is an unlimited winter season pass to either the Breckenridge Recreation Center or the Stephen C. West Ice Arena. The pass goes on sale online at [www.BreckenridgeRecreation.com/DAYZ](http://www.BreckenridgeRecreation.com/DAYZ) on Monday, November 25 at 12:01am through Monday, December 2 at 11:59pm. The pass is valid from November 25, 2024 – April 20, 2025. The Recreation Center pass is \$219 for adults and \$115 for youth ages 3-17. The Ice Arena pass is \$179 for adults and \$99 for youth.

Winter Dayz Pass is similar to the Black Friday Pass offered in previous years. Unlike previous years, the pass **DOES NOT** end on the closing day of Breckenridge Ski Resort, AND the pass may be purchased in person. Also, the youth pass prices are different (\$99 ice arena, \$115 rec center).

### How is the Winter Dayz Pass different from the Black Friday Pass?

Other than the new name, the main difference is that the Winter Dayz Pass is on sale for a full week, November 25-December 2 and may be purchased online and in person.

### How many passes can I purchase at one time? Can I buy multiple passes and use them throughout the year?

There is only one pass per customer. Since the passes are only good from November 25 to April 20, there is no reason to purchase more than one as they are not valid at any other time. You cannot purchase a pass to use next winter.
